PANTY CONTEST WINNERS

Announcing the winners of our Anniversary 2010 Panty Giveaway Contests: We totally loved the super clever way D.H. used Amber Sun's name (read the bold letters!), and we seriously swooned over Maryland Virgin's creamy dream. That Valerie is a lucky girl!

Why I would like Amber Sun's delicious panties....

Adventuresome sexual personality; we'll be going at it all night from all positions
Moist, succulent pussy lips, waiting to be licked and tenderly penetrated
Bountiful breasts, ideal for massaging, sucking, teasing and fondling
Exotic and erotic body with brilliant curves and long, sultry legs
Radiant smile, the type you love waking up next to in the morning

Supple, beautifully puffy nipples just dying to be sucked and nibbled upon
Unparalleled moist lips that will kiss and caress, pleasure and delight
Natural and stunning beauty that I hope to own just a small piece of

D.H.
Nebraska

Dear Valerie,
Being a 28-year-old virgin, you are the closest to sex that I'll ever come. Ever since receiving this issue of BARELY LEGAL, I have violently masturbated repeatedly, only wishing it was you swallowing my hot cum. I keep flipping the pages of your perky tits, tight ass and wet pussy, only hoping I don't ruin the pages with my cum. We won't ever meet, but I'll always have dreams about what your pussy juices taste like as they slowly drip down my throat. I can imagine the sweet taste of your pussy juices covering your asshole as I slowly make your tight asshole wet with my tongue. You have the most seductive and naughty smile, which I hope comes to life as I fuck your wet pussy over and over till you come.

As I awake from this dream, I realize your panties will be the closest I ever get to fucking you. Once I receive those wet panties, I'll make sure to smell and slowly lick them. As I'm licking, I'll be stroking my cock until it erupts all over your panties. After I'm finished, I can tell all my friends I'm no longer a virgin because I fucked the most beautiful woman in the world.

Maryland Virgin

Hi Lindsey,
I'm sitting here with a very hard cock, admiring Flora's photos from your August issue and wishing I was being allowed the honor of exploring her delightful body. She is cute, has wonderful small breasts, a well-proportioned body, and the best part, if it could get any better, is between her legs. Those beautiful pussy lips are beyond desirable.

I would love to slide my tongue between them, gently sucking, licking and exploring deeply. It makes me salivate just thinking about it. Flora's butthole is equally inviting. Spreading her cheeks while licking and probing it with my tongue, working back and forth between her butt and pussy, would get the pre-cum flowing. My underwear is wet even now just thinking about it.

Being able to get Flora off with just my tongue would be a fantasy come true. I hope you realize, Flora, what a treasure you have down there. Be sure your men treat you well. I sure would.

K.L.
Oregon

K.L., Flora totally does not realize what a treasure she has down there. You saw how hung up she was on washing her pussy because of natural odors! But I think when she reads your letter, plus B.W.K.'s letter below, she will start to gain confidence. Thanks, you guys! ***—Lindsey***

High Lindsey,
The August 2010 issue may be the hottest eva. I'd like to mention each and every girl, *butt* I will say I loved the hairy ones.

My mind, however, and eyes cannot get enough of Flora's picture. Her pussy lips hanging down like that is driving me nuts. A pussy like hers, back in the day (I'm 53), we called a "Molly, Molly woller hole." I've seen a lot of pussy, but never seen one I'd eat any faster than Flora's. Flora, it's beautiful. Your labes are perfect—something I can only dream about. To the photo person, best shot you'll ever take, showing those things hanging down like that and her getting in the shower. Great shot, Linds.

I love the smell of female odor. Nothing else like it. "Will you lick me down there?" Damn right, all night!

B.W.K.
Kentucky

Dear BARELY LEGAL,
Bought the 17th-anniversary issue and was pleased, teased. These ladies all have beautiful vaginas, hairy and inviting and exciting, tight and sexy. Nipples and breasts are welcome, but I love them vulvas, clitorises.

Teen Queen Nadia is a ten. Like her nips, breasts and beautiful black hair, eyes, face. Her pussy is a ten, hair and all.

Amber Sun is okay. *BARELY LEGAL Slumber Party* has some beautiful cutie-pies. I think Heidi is beautiful with her tan and tan lines, face, hair. Nipples and vulva.

Victoria has big breasts, nipples, and I like her hairy vagina. Emma is pretty and sexy. Misty could lay down with me anytime.

Aren't there any barely legal ladies with big breasts, nipples?

M.B.
North Carolina

M.B., there aren't a ton of barely legal girls with big boobs, but whenever we find 'em, we give 'em a spot—like your fave, Victoria. Here she is again, in case anybody missed her and her double Ds the first time around! ***—Lindsey***

Hey Victoria,
Your pics left me breathless! The sight of your hairy asshole left me in a trance. I would love to spend most of my time just licking your asshole and having my face buried deep between your cheeks. I want to taste your ass juices and make love to you for hours.

You are the best I've seen in BARELY LEGAL. Please make some movies and do an encore for the magazine. Would love to see more pics of your beautiful asshole with all hair. Can we get a gaping-asshole shot?

H.D.
Georgia

Hi, H.D.! Lindsey says that thanks to guys like you writing in, I can come back! Probably in a couple of months! I'll try to spread my butthole more next time, but I might be too shy. But I'll seriously try! Thank you! ***—Love, Victoria***

INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys, our Teen Queen of the Month, Ashley, is kind of a genius. She said to me, "BARELY LEGAL is, like, the only magazine where you don't have to have blond hair and huge boobs to be the centerfold."

She's right! BARELY LEGAL girls aren't "perfect." They're the girls you see on the street and at the mall. REAL girls!

Look at Ashley. Her teeth are super crooked, but she has the sweetest smile I've ever seen. And Kali Lane. She's definitely not anorexic—thank goodness! Who wants to bump up against a hard, bony ass when they can smoosh a big, luxurious booty?

And Holly! She told me that when she was little, everybody made fun of her freckles. But her freckles are what turn me on! Well, and her gorgeous red hair. And gorgeouser red bush!

Speaking of me (as usual!), my boobs are kind of shrimpy, and my butt is *way* too big for my frame, but *you* guys like me. ;)

I *love* all of our quirks and imperfections. They make us special. They make us BARELY LEGAL girls!

MARGO
come along
with me

Greetings! Stacy the intern here. High school senior Margo is a total sex fiend—when she's all alone.

Hey, Margo! Did you like posing nude?
Yes, because they let me bring my toy.
You definitely aren't shy with a vibe.
I *love* my vibrator. It changed my life, basically.
What do you mean?
Well, I used to try to masturbate with my fingers, but nothing would happen. It's really hard! Then my friend gave me my first vibrator, and it was like, WHAM! Instant orgasm.
Your *first* vibrator? Which one is this?
This is my third one. I'm pretty rough on them!
How often do you masturbate?
Every day, a few times a day. I'm sorry, but orgasms are addicting!
Do you ever have actual sex?
Not too often. That's where I'm shy, actually—in the guy department.
Do you *want* to have sex with guys?
I do, but.... I kind of had a bad experience last time.
What happened?
I don't know. He got all mad when I told him the best way for me to come. He was all like, "Who's in charge here?"
That's just one guy.
But now I'm afraid other guys might get mad, too! Like, maybe I should never say anything.
What *is* the best way for you to come?
If he does me from behind and rubs my clit at the same time.
What's your *other* favorite thing to do sexually?
Suck cock. I like to make guys feel good.
Do you swallow?
Yes, I think it's sexy to swallow a guy's stuff.
What if he wants to come *on* you?
That's sexy, too!
What if he asks you to have anal sex?
I would say yes. I've already done it once.
With the last guy?
No, not *him*. The guy before. He played with my pussy while he did my butt, and it was *awesome*. I came so hard!
So then you know how awesome sex can be. Why don't you put down the vibe and go out into the world?
I want to, but where can I find a guy who wouldn't mind talking about orgasms with me?
I think I know a place! ★

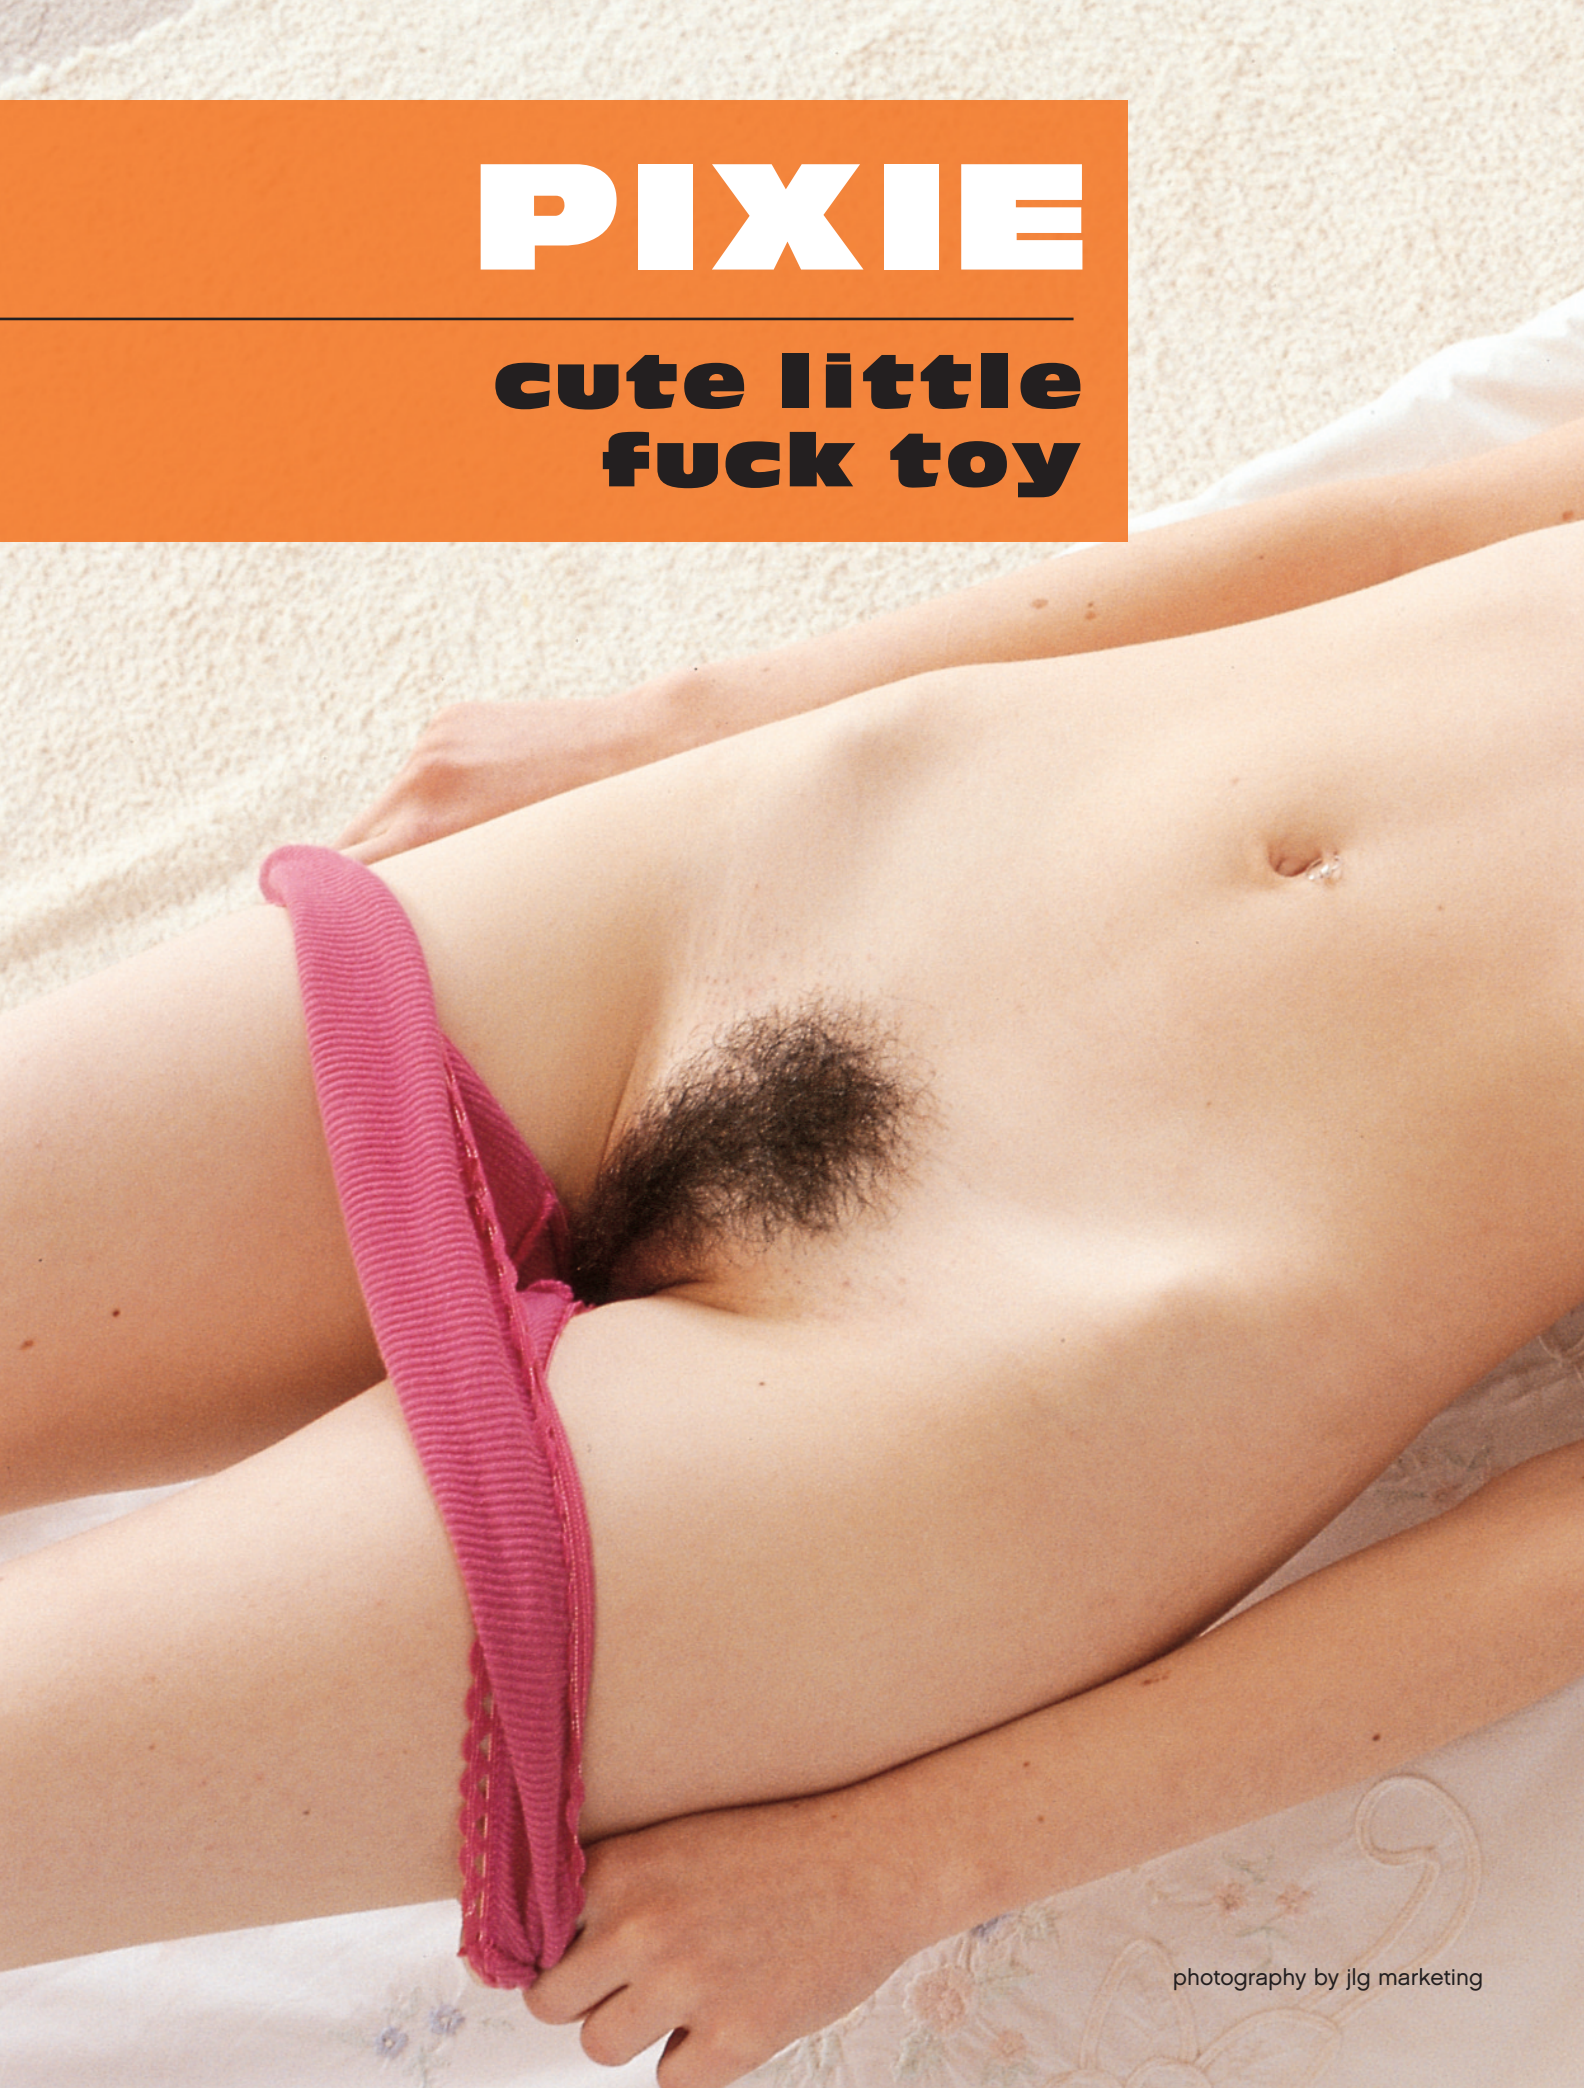
PIXIE

cute little fuck toy



photography by jlg marketing

"I wish guys would take me seriously," gripes petite, 18-year-old Pixie. "I know I have a cute body, with perfect little tits, but I'm also an artist. My dream is to be in a Shakespeare play with Judi Dench. Instead, I'm cast as the perky lesbian-next-door because of my Anne Heche hair. My friends say that I should be happy that I landed a recurring role on *Dieselina and Friends*, but they don't know what I went through on that audition.

"First, the creepy producer, Mr. Shank, locked the door to his office. Shank told me I was such a brilliant actress, he was convinced I was a carpet-muncher in real life. Compliments on my work go straight to my head. When Shank pulled out his veiner, I was glad to suck it. Except the old creep kept pushing it deeper and deeper into my throat and pulling my hair. I was actually relieved when he bent me over the desk, lifted up my skirt and stuffed his rod in my cunt. I whined and wiggled, pretending I liked it. Shank said something like, 'No lezzie moans like that,' and shot his hot, sticky load up my hole."

Pixie tweaks her nipple reflectively. "The network loves me, but I still have to go into Shank's office for weekly creative meetings. Sometimes he fucks me so hard, I'm sore for days. I guess we artists must suffer for our craft."★

ARIES STONE

the magic touch

Hey, guys! It's Stacy the intern. Aries Stone is back! There have been *tons* of changes in her life since her first appearance (July 2010). For one thing, she has a new name. For another—she's even hotter than before!

Hey, Aries! Didn't you used to be named *Samantha* Stone?
Yes. I needed a change.
Why *Aries*?
Because I *am* Aries.
Okay. So, since you were here last, you made a couple of movies.
I did! It was fun.
Do you think you'll make more?
Mmm—no, I think I've had my fill of acting. I'm just going to model. But the *main* thing in my life is, I'm now going to massage school.
Massage—like, with a happy ending?
Stacy, omigod! No! *Real* massages. *Therapeutic*.
How will guys keep from getting boners when you massage them? I mean, you're so hot, as soon as you touch them....
Ha-ha. Well, I hope they know I'm just there to make their bodies feel good in a nonsexual way.
What if it turns *you* on to touch *their* naked bodies?
I'll just have to focus on being professional. Actually, it will be harder to touch *girls'* naked bodies and not get a little wet.
Do you prefer girls over guys?
No, but, like, girls' skin is *so soft*. I love to touch it. But I have a lot of will power. I'll be okay.
The last time you were here, you said your fantasy was to have sex with two guys at the same time. Did that ever happen?
Oh, yeah! It didn't happen with my high school math teacher—my total dream!—but, yes, I did finally have a threesome.
Did it live up to the fantasy?
Omigod, yes! I love to be spoiled in bed, and when you're with *two* guys? You definitely get spoiled. Someone was always in me or on me. For *hours*.
Do you spoil guys back?
I try to! I love sucking cock. Also, my next boyfriend is going to be *very* happy, 'cause I need somebody to help me with my massage homework! ★

Never again will he access her number-one naughtiest hole! "I like it rough," she admits. There is *one* glimmer of happiness in this guy's tragic life: Never again will he have to sit through Jade's favorite movie, *The Notebook*. All Grown Up

A BARELY LEGAL CONFESSION BY SHELIA DALY

Hi everybody! Shelia here. Hope you all like my pics. Yay, BARELY LEGAL!

So, hi. My name is Shelia Daly and I'm from Savannah, Georgia. I'm 18 and a senior in high school—can't wait to finish up and start college! I want to study psychology 'cause people are really interesting. But I'm stuck here for now. :(I am SO ready to graduate! I mean, I love my BGF Mia, and art class is pretty fun, but other than that…*blahhh*. I'm sorry, but high school guys are pretty much lame. They're so immature! Not to be a snob, but I have decided that I will pretty much only date older men from now on. In fact—I met this hot older guy and I really like him!

His name's Ryan. He works at his dad's auto-parts store, Speedway. He's really mature 'cause he has responsibilities. Plus, he's almost 21. I had to go to Speedway 'cause one of my headlights went out. Ryan replaced it for me. Then he asked me out on a date! He's *sooo* cute—sandy hair, straight teeth. How could I turn him down? ;)

He took me to the Olive Garden, and we took a long walk through Johnson Square. It was really romantic! He was like, "You're hot," and I melted. We went back to his car and totally started kissing. I don't think there's anything wrong with making out on the first date—or more! Not if you really like somebody.

So, no, I didn't mind when he slid his hand under my shirt and squeezed my boob, then into my bra, pinching my nipple. Actually, it turned me on, a lot. I wanted him to keep going. I unzipped my jeans and leaned in closer. But we were in the front seat, so it was kind of cramped, so I was like, "Let's go to the back!"

We climbed into the backseat. Ryan pulled up my shirt and pressed me flat against the seat and sucked my nipples. We were parked right there on the street, and I didn't even care! I kicked off my ballet flats and squirmed halfway out of my jeans. He shoved his hand down my undies and tickled my clit.

"You're so wet," he whispered, sliding a finger into my hole. "So wet and tight—*fuck*."

My hand crept between his legs. A raging hard-on strained against his jeans. I unzipped his fly and pulled out his dick. His head was wet with pre-cum. I stroked his shaft.

"Oh, yeah," he groaned, pushing his middle finger deeper into my pussy and wiggling his thumb against my clit. He really knew how to finger a girl—not too hard, just the right pressure and rhythm—another reason older guys rock! He had me *sooo* hot, I just wanted to suck his dick.

"*C'mere*," I panted, pulling him until he was sitting up, his back pressed against the car door. I crouched between his legs and gripped the base of his dick. My feet were totally falling asleep, squished under the front passenger's seat, but I so didn't care. I ran my tongue from base to tip, slowly. I kissed the head and circled it with my tongue. I opened wide and slid his cock into my mouth till the tip pressed into my throat. I bobbed up and down, my spit and his pre-cum mixing, dripping down my chin and onto the upholstery. Faster, faster, till Ryan started moaning.

"*Aaaahhh fuuuuckkkk*…."

GUSH! A load of cum filled my mouth. Some girls think that's gross, but not me. In fact, I swallowed it up. *Yummm*—LOL!

So, we had a great date. I was like, "Skype me!" So we started having totally dirty Skype sessions. I love to show him my boobs and pussy! Also, I play with my cute purple vibrator while he watches. *Ha-ha*! It's awesome.

I told my BGF Mia about it a couple days later at her house after school.

"Don't you think that's kinda slutty?" she asked.

"Stop being such a prude!" I said. "You're 18! You're a woman!"

"Just because I'm not *easy*. Slut."

I'd hurt Mia's feelings. She's just kind of shy. I mean, I'm mature for my age, and more experienced. So when it comes to sex, I need to take her under my wing.

"I'm sorry," I said. "For real, you'd like it if you tried."

"I've done plenty of stuff!" Mia said.

"Yeah. Ever given a BJ?"

Mia blushed.

"Okay," I said. "You got a banana or something?"

We sat cross-legged on her bed. I peeled the banana.

"The most important thing to remember," I explained, "is that no matter what, you can never, ever let your teeth scrape the dude's peen. That is crucial. But aside from that, there's technique. Twirl your tongue on the head. Lick the shaft. Then take it all into your mouth, as much as you can possibly fit. And DON'T GAG." I slid the banana down my throat. "See?"

I wiggled the banana in her face. "Here. Practice."

"*Ew*, no! It's all slobbery!"

"Whatever. Take it!"

I pushed Mia on her back, pinning her elbows with my knees. She squirmed, giggling. I prodded the banana against her lips. "Suck it!" She squealed and wiggled. The whole thing was turning me on. Maybe that's weird, but I believe that people should explore their sexuality. Besides, Mia is hot, like a not-skanky Megan Fox.

"You want to suck my dick," I said, gripping the banana between my legs.

Mia turned serious all of a sudden. She opened her mouth. I slid the banana between her lips. She sucked it. It was all kind of weird, and making me super duper horny. Almost like I had a dick for a minute. Not to be, like, manly. But I wanted her to suck me. I guess that's why I sat on her face.

I know!!! I mean, maybe that isn't, like, the normal thing to do with your BFF. But you guys, it was *hot*. I gave Mia such a hard time for being a prude, but she licks pussy like a champ!

I slid my slit up and down her tongue. She pointed, flattened, wiggled her tongue, so it was like a zillion different sensations. I pushed my pussy into her face so her tongue was deep inside my hole. I grabbed her hands and stuck her fingers in my mouth, sucking them. My pussy was wet and swollen. My juice dribbled down her cheeks and chin.

"Yeah!" I moaned, bucking harder against her face. She popped her fingers out of my mouth and dug them into my ass, gripping me tight as she sucked my cooch. She wiggled a finger against my booty-hole. It felt *really* good.

I thrashed and moaned and grabbed my tits. I mean, I was totally having hardcore sex with Mia's face. And I was about to come all over it.

"*Aunk ugnnk aughhhhh*!" I squealed, throwing my head back and thrashing my hips. I fell back, flopping beside Mia with my head at her feet. Gulping for breath, I propped my head up on my hand and watched Mia finger herself to orgasm.

But that awesome experience didn't change my feelings for Ryan. I was still, like, totally crushing on him. It was fun to watch each other masturbate on Skype, but I was dying to feel his real-life dick. So this one Sunday, my folks went to visit Mom's sister way out in Woodbine, which is, like, this bumfuck that's practically in Florida. So I texted Ryan: HOME ALONE U WANNA CUM? ;)

He was at my house in, like, not even 15 minutes. I took him out back, 'cause it was a beautiful day and I totally wanted to do it on the patio. I always thought that outside sex would be, like, ultra intense.

"You look *tight*," Ryan said. Sorry to brag, but, yeah, I did. I mean, what's cuter than a yellow sundress with matching sunshine undie-pants?

We sat down and kind of, like, hemmed and hawed for a minute. But then I was just thinking, We're adults. So I went for it, because I'm an honest and straightforward person.

I sat in Ryan's lap. He was already hard. His boner pushed against my thigh. I squirmed against it. He sucked in his breath. I flung my leg over his waist, straddling him.

He slid the straps of my dress off my shoulders and licked my nips, cupping my tits. I pressed against his hard-on. My panties were soaking wet. He slid both hands up my thighs and into my undies, spreading my labes and flicking his thumb against my clit.

"Let me taste it," he said. I sat in the chair and he kneeled between my legs. He slid my undies to my ankles. I kicked them off, closed my eyes and let my legs fall open. He licked my thighs. He nibbled my labes, really gently so it tickled, and made my clit swell up. Then he sucked my whole vag into his mouth—just, like, clamped his lips over it and sucked it all in. I mean, Mia was an awesome pussy-eater, but Ryan had his own radical technique, and I loved it.

"You're gonna make me come," I sighed, my hips quivering.

"Hell, no," he said. "Not yet." It's hot when a guy gets all take-charge like that!

"Fine," I said.

Ryan picked me up, sat down and plonked me back into his lap. His dick slid against my wet slit. I wrapped my arms around his neck and grinded against him. I wanted to tease him for a minute. I slid my labes up and down his shaft. He squeezed my ass.

"Come on," he panted. "Let me put it in."

"No," I whispered, pressing my coochie against his balls. "Not yet." We were totally torturing each other! It was awesome.

I stood up and pulled my dress over my head so I was butt-naked. I rubbed my pussy while he watched. He stroked his dick. I turned around and rolled my ass in circles. Ryan groaned.

"Stop it."

He sounded so pitiful! I crouched on my hands and knees.

"Come on, then," I said.

Ryan kneeled behind me and slapped his cock against my ass. I pressed my face against the patio floor and wiggled my hips. With a groan, he sunk his dick into my pussy. All the way in.

"*Aww*, fuck," he said, digging his fingers into my waist, pumping into me. My boobs jiggled with every thrust.

"Stick your finger in my butt," I said.

He didn't hesitate. He spit on my dooker and popped his finger right in, still sliding in and out of my vag. It felt good in my butt. I was like, I don't even care.

"Stick it in my butt. Your cock. Stick it in."

Yes, I just came right out and said it! LOL! But I am *so* glad I did. Seriously.

"I'm gonna butt-come," I squealed, wriggling. It was like electricity vibrating from my butt all the way up my spine and flying out through my teeth. It was amazing.

"*Auk*. Hell. *Auk*. YES!" Ryan yanked out his dick and blew a huge, hot load all over my ass.

You guys. What an experience. But the thing is, it didn't work out with Ryan. I asked him to take me to homecoming, and he was like, "I am not down with that Mickey Mouse shit." Guess he wasn't as mature as I thought, thinking he's too cool for high school. That's okay. I mean, we had fun, but now it's time to find a SERIOUS man. Thirty-plus, I guess? ★

Hey, it's Lindsey. Adorable Ashley can't stop smiling! It's been her lifelong *dream* to be named Teen Queen of the Month—and now it's come true!

"BARELY LEGAL is, like, the only magazine where you don't have to have blond hair and huge boobs to be the centerfold," says the high school senior and student council secretary, "so I thought *maybe* I had a chance. But I still can't believe it's really happening!"

Best physical feature: My smile. It's not perfect, and that's why I like it.

Sexual personality: I would say shy but open-minded.

Fave method of masturbation: Omigod. Okay. I have this photo of my crush, in my bedroom? Sometimes when I get undressed at night, I pretend I'm doing a striptease for him, and then when I'm fully naked, I touch my pussy in front of the photo, like he's watching me. I can't believe I'm telling you this!

Spit or swallow: I swallow—but if there's a *ton* of cum, a little bit might dribble out sometimes.

Fave sex position: I like for the guy to be on top and in charge.

AGE: 18
HEIGHT: 5-2
WEIGHT: 108 POUNDS
MEASUREMENTS: 32B-24-32
HOMETOWN: MESA, ARIZ.

To bi or not to bi: I haven't done anything with a girl yet, but I'd like to. Maybe I can start slow—like, maybe just make out with a hot girl.
Anal, yay or nay? Don't laugh, but I'm afraid to try it. :(
Best sex talent: I'm still working on getting good at sex!
Fave fantasy: Me and Johnny Depp alone on a desert island for a year.
Ultimate goal: To really enjoy my senior year and make lots of memories and, after graduation, start modeling full-time. I'm off to an awesome start!★

photography by sagechicks.com

Hey, it's Lindsey. Yay, one of my fave girls is back! Kali was in our January 2009 and September 2009 issues, and she's still totally hot at the ripe old age of 20. ;)

Hey, Kali! What's been going on since the last time you were here?
Well, I'm a sophomore in college now, and I picked psychology as my major.

Why psychology?
I've always been fascinated by people and how they work. I'm studying biology, too. Anything that ends in *-ology* piques my interest!

What do you do for fun?
Mmm—I like tasting new foods and being out in the sun. Reading good books. Spending time with friends.

What do you do with your friends?
We hang out in the dorm a lot and watch sports and *South Park*. And we watch *tons* of movies. The other night we had this awesome triple feature of *GoodFellas*, *Scarface* and *Fight Club*.

You do this with your *girl* friends?
No, my guy friends. In fact, now that I think about it, *most* of my friends are guys. They're more fun to hang out with than girls. Less drama.

Are any of these guys more than friends?
A couple of them are. But I'm not just using them for sex! I really care about them.

What do you look for in a guy?
Anyone I can learn from or just have fun with. All people with open minds, open hearts and free spirits.

What's your favorite way to turn a guy on?
Suck his cock. I'm really good at it. This one guy said I was "outrageously talented."

Do you swallow?
I love to swallow, but I also love to rub it all over my tits.

What turns *you* on the most?
Getting spanked.

***Hmm*—is that psychologically revealing?**
No, it just feels good!

What are your goals in life?
To get my degree, travel the world and always have adventures!★

Konnichiwa! Stacy the intern here. We flew all the way to Tokyo to shoot super furry cutie Mizuho. Totally worth the jet lag!

Hey, Mizuho! Did you like posing nude?
Yes, I am not shy at all.
What do you think is your best physical feature?
My breasts. They are big.
How come you don't shave your beav?
I want to preserve the mystery.
So, are you a virgin?
No, I am not *that* mysterious!
Do you always wear panties?
Yes, I am clean.
How often do you masturbate?
Every morning and every night.
What's your favorite way to do it?
In the shower with the shower massager on full strength.
Do you like to give BJs?
Yes, it is very satisfying. For the man, too, I hope!
Do you spit or swallow?
Swallow. It feels like a treat.
Do you like when guys lick your pussy?
Yes, I love to have orgasms.
What's your favorite sex position?
On my hands and knees with my ass in the air.
Do you like anal sex?
Yes, especially if they lick my asshole first. I keep it very clean all the time.
Where do you like guys to come?
All over me, covering me with semen.
Are you bisexual?
No, I only like men for sex.
What kind of men do you like?
Big, strong, powerful. Men who make demands.
What's the best sex you've ever had?
In a restroom on the bullet train from Tokyo to Osaka. It was very exciting from the movement and the fear of being caught!
What's your ultimate sex fantasy?
An octopus. Kidding! Something simple—three men at once.
What are your future plans?
To make my fantasy come true! ★

ZAYLEN SKYE

don't h8, masturb8!

Stacy the intern here. Okay, Zaylen Skye totally terrifies me. Just look at what she's doing on page 95! She's only in high school!

Hey, Zaylen! Did you like posing nude?
Yes, it totally turned me on!
What do you think is your best physical feature?
My pussy. It's where I have the most fun. First runner-up is my butthole!
Do you masturbate?
Omigod, I *love* playing with myself. I seriously used to think it was just a guy thing. Like, they're always talking about beating the meat or whatever? I didn't even *know* girls could do it! Now I can't stop!
How did you learn about the miracle of masturbation?
A couple of my girlfriends showed me. Except now they think I'm going overboard. Personally, I think they need to have more orgasms themselves! Then maybe they might not act so bitchy all the time!
These are your *friends*?
You're a girl, you know how it is.
I guess. What's your favorite way to masturbate?
With my vibrators. I like to stick one in my pussy and one in my butt and have a double explosion.
Do you ever have real sex?
Of course! I'm not a *virgin*.
What's your best sex talent?
Sucking cock. I have a special swirly-tongue move that makes guys crazy!
Do you spit or swallow?
Both, depending on my mood. I like to surprise people.
What's your favorite position?
Doggy-style, really hard. One time this guy was doing me from behind and he stuck his finger in my butthole. I almost lost my mind!
You are really into your butthole.
Well, it's very sensitive! I love anything in my butt—toys, tongues, cocks. It's all good.
Where do you like a guy to come?
Anywhere he wants, but if I *have* to pick a favorite—my tummy so I can see it.
What's the wildest thing you've ever done?
I think what I'm doing right now is pretty wild. LOL!
What are your future plans?
To make movies! ★

BARELY LEGAL #108

★★★★

Hustler Video. Directed by Matti Klatt; starring Kimberly Gates, Alexis Grace, Chloe Caine, Bree Daniels, April O'Neil, Ivy Winters, TJ Cummings, Dane Cross, Dale DaBone and Tony De Sergio.

All of the girls in *BARELY LEGAL #108* are young and hot, but I have to admit that I skipped ahead to Bree Daniels and April O'Neil's scene first because I *could not wait*. Those two girls have four of the nicest boobies in the business! I almost *died* when they started kissing topless and shmooshing their titties together. Then I *really* died at the huge, juicy close-up of April's two fingers in Bree's coochie. (In a strange coincidence, there were also two fingers in *my* coochie!) Anyway, don't worry—I'm not a *total* lez. :) I got super wet watching Dane Cross ram his cock into Alexis Grace's mouth. She gags *three times*. I would, too—his penis is like a Diet Dr Pepper can! In a scene on a farm, cute Chloe Caine gets all turned on watching Dale DaBone feed a baby goat with a milk bottle. (Don't judge!) Dale does Chloe hard from behind, then sprays his own milk all over her face, shoulders and boobs. She looks like she took a shower in jizz! Kimberly Gates plays a karate student who accidentally kicks her teacher in the balls. To "help with the pain," she sucks his peen. LOL! Oh, yeah, one thing I should mention: Kimberly has a full-on bush! It totally weirded me out at first, but then I got used to it. It's kind of thrilling watching a cock disappear into a dark, hairy hole. To me, the *realest* boy/girl scene was with adorable Ivy Winters. Tony De Sergio keeps whispering stuff to her as he fucks her every which way, and she looks way into it (maybe 'cause of his sexy accent? *Sigh*!). After Tony gives her a cum-stache, Ivy is all, "That was so good, it should be illegal!" It's not illegal—it's *barely* legal!

Penny for your dirty thoughts, Ivy.

Karate student Kimberly practices her front snap kick.

Bree loves her little pet kitty-licker April.

STARLY

lick me clean

Hey, it's Lindsey. Bite-sized Starly is so cute, you just want to eat her right up—and believe me, she would love that!

Hey, Starly! Did you like posing naked?
I did! I felt shy at first, but then I got used to it.
What's your favorite thing to do, sex-wise?
[*Blushes.*] I like when guys go down on me.
Are you *blushing*?
I can't help it! I feel bad that someone is sticking their face down there, but—I want them to! I love it so much!
Are you worried that you're too...fragrant?
No, I shower twice a day. But it still seems like it might be weird.
Do *you* like to go down on *them*?
Yes, I love to have a big penis in my mouth. It makes me feel sexy.
Do you swallow or spit?
I swallow. It's not as messy.
Where do you like guys to come after fucking?
Inside me. Same reason as why I swallow.
***Hmm*. I'm guessing anal sex is probably too messy for you, too.**
No, it isn't! I love to feel a penis going in my butthole.
What if they want to *lick* your butthole?
[*Blushes again.*] LICK it? [*Pauses.*] Would someone really do that? ★
